PRESS RELEASE

The African Development Bank is pleased to announce the 6th edition of the **Africa Transport Forum (ATF 2026)**, which will take place from **14 to 18 September 2026 in Abidjan, Côte d'Ivoire**, under the theme:

"Advance Sustainable Transport and Logistics Connectivity"

ATF 2026 will bring together policymakers, private sector leaders, investors, and international experts to discuss practical solutions for transforming Africa's transport and logistics systems.

Throughout the week, high-level sessions, specialized panels, project presentations, exhibitions, and targeted B2B meetings will provide opportunities to:

Mobilise public and private investment

Reform policies and strengthen governance

Develop resilient and sustainable infrastructure

Accelerate regional integration and AfCTA implementation

Create jobs, drive industrialisation in Africa
