

GreenTec Capital Africa Foundation and GIZ cordially invite you to

# Start-up Ecosystem Tour: Accra, Ghana

An exclusive visit to one of Africa's fastest growing start-up markets

**Monday Oct 31- Friday Nov 4, 2022**

Ghana has established itself as one of the best markets to do business in West Africa, as well as quickly becoming one of the top 5 investment destinations on the continent. Ghana's political stability and transparent business environment and vibrant start-up ecosystem boasts a growing number of IT companies, hubs, and start-up accelerators.

This trip will provide an immersive guided tour of Accra, focusing on meetings with founders active in a variety of sectors, Hubs & Development partners, Angel Investors & local VCs, and Government Agencies.

## PROGRAM

- Day 1:** Arrival and welcome dinner
- Day 2:** Partner site visits, start-ups meetings
- Day 3:** Angel Investing Masterclass, meeting with start-ups, pitching session
- Day 4:** Agro hub visit, meeting with start-ups, cultural visit
- Day 5:** Pitch session Event with Open Value Foundation: meeting with investors and start-ups.

### Contact

Bienvenue Angui,  
Head of Operations GCAF  
Email: [b.angui@greentec-foundation.org](mailto:b.angui@greentec-foundation.org)  
Webpage: [www.greentec-foundation.org](http://www.greentec-foundation.org)

*GCAF covers all expenses besides travel and accommodation*

### Participant Profile:

1. Investors interested to gain exposure to Ghana or Africa
2. Investors that do not have experience in Africa and want to know more
3. Fund managers that want to gain "on the ground" experience in Africa
4. Impact & Angel Investors

“

The trip and #EOM (#Entrepreneurs on the move) gave me a new understanding of the market and introduced me to amazing entrepreneurs and organizations that I would not met otherwise.

## DAY 5

### FRIDAY, NOVEMBER 4: Pitch session event with Open Value Foundation

- As an investor you can actively contribute to the mobilization of resources and social capital to **open opportunities for African purpose-driven entrepreneurs** and to accelerate the creation of innovative solutions to improve people's lives.
- OVF believes social entrepreneurs need financing and social capital to make their innovative ideas a reality and that promoting the **Impact Ecosystem** leads to more opportunities and impact.
